

London School of Academics Short Programmes Monitoring and Review Process

London School of Academics is committed to improving the quality of the programmes it delivers and students' learning opportunities. Our programme monitoring and review process takes account of the UK Quality Code and informs our enhancement strategy initiatives for short programmes.

Programme monitoring

Short programme monitoring is through the gathering of information which informs the programme review. To ensure the accurate gathering of information the following are involved:

Students	Academic Team	Management team and others	External reference points
<p>Students have the important role of communicating their experience from studying the programme.</p> <p>Students are those that have the best insight into the difficulties the programme presents and the highlights of it.</p> <p>The responsibility placed on students' includes:</p> <ul style="list-style-type: none"> -Providing informal and formal feedback about the programme. -Providing feedback through an end of programme survey. 	<p>Members of the academic team have the role of planning, delivering and assessing the course.</p> <p>Their responsibilities include:</p> <ul style="list-style-type: none"> -Communicating changes that need to be made to the delivery of the programme and units. -Communicating changes that need to be made to resources. -Communicating changes that need to be made to policies, procedures and process in relation to the running of the programme. 	<p>Members of the management team include the Director, Curriculum Manager and Student Welfare Officer. Others include Internal Quality Assurance team, Quality and Diversity team, Admissions team, Academic team, librarian and administration.</p> <p>The roles of these are to make record and respond to issues raised by students. Responsibilities include:</p> <ul style="list-style-type: none"> -Making accurate records of feedback provided. -Providing written responses and keeping these records. -Producing student performance data. 	<p>City and Guilds, Office for Students, Quality Assurance Agency, Office of the Independent Adjudicator and Society for Education and Training.</p> <p>The role of these are to update us on any changes with the programme or industry.</p> <p>-Responsibilities include: communicating information to us through their update services and newsletters.</p>

Information gathered is recorded and these records are used when reviewing the programme. These can take the form of the following (non-exhaustive list):

Programme review

Programme review involves the taking account of all the information gathered for each short programme delivered. Programme reviews occur throughout the year for short programmes as programmes are run on demand. All programme review minutes are considered annually when forming the Short Programme Enhancement Strategy and Action Plan.

Process of the programme review:

The Director invites the academic team, management and relevant others to a meeting with the set agenda to discuss the following:

1.	<u>Overall feedback on course delivery, resource design and use. The following points will be covered:</u> -The experience of teaching team in delivering the programme according to the current structure. Strengths and areas of development.
